

Kelly has been a successful Realtor with MID-LAND REALTORS since 2002. She was born and raised in Midland having grown up in the Bullock Creek area and also living in the City of Midland, Larkin Township and now Hope township. Her training involved secretarial skills and medical transcription for over 20 years, so she easily navigates the complicated world of Real Estate. She has been involved over the years in volunteering by playing the piano, nursery work, serving the elderly, AWANA, choir, making meals and piano playing for funerals at Calvary Baptist Church and Midland Evangelical Free Church.

Kelly treats every buyer and seller as if she were the one buying or selling the property personally. She has great people skills, not only with her customers but with fellow Realtors. She pays great attention to detail, so her listings are appealing and cutting-edge from an advertising standpoint in pictures and verbiage. She strives to please her clients in every way possible, listening to their needs and meeting them promptly. For this reason, many of her buyers and sellers are repeat customers.

Kelly has been married to Jim for 37 years and has a daughter and 2 sons who along with their spouses have given them 4 grandkids (so far). She enjoys reading, playing the piano, fishing, camping, music, shopping, Tiger Baseball, college football, organizing and anything with the family.

Kelly is a member and supporter of  
Midland Board of Realtors  
Michigan Association of Realtors  
National Association of Realtors  
Midland Business Alliance

Kelly is available to handle any of your real estate needs.
